Boundary Waters Canoe Area Wilderness
Located in the northern third of the Superior National Forest in northeastern Minnesota and consisting of over 1 million acres of wilderness, the BWCA contains 1,200 miles of canoe routes, 12 hiking trails, and over 2,000 designated camping sites. There are more than 20 entry points within Lake County, accessible from Fall Lake Township. Visit www.fs.usda.gov for permit information, maps, and trip planning resources.

Gooseberry Falls State Park is the most visited state park in Minnesota, with almost one million visitors yearly. The five spectacular waterfalls will get you out exploring or provide a relaxing environment to sit by and unwind. Gooseberry provides camping, hiking, cross-country skiing, sightseeing, picnic areas, an interpretive center and plenty of photo opportunities for all.

George H. Crosby Manitou State Park offers remote backpack camping and fantastic hiking and fishing opportunities along the Manitou River. The Benson Lake Trail features a beautiful one-mile boardwalk loop.

Split Rock Lighthouse State Park is one of the most famous spots on the North Shore. Take a tour of the historic grounds and snap a photo of the iconic Lighthouse. Long beaches with cart-in camping and hiking make this state park a must-see destination.

Superior National Forest covers 3.9 million acres across northeastern Minnesota and includes around 2,000 lakes and rivers. Recreational opportunities are plentiful, including fishing, hunting, camping, canoeing, swimming, hiking, snowmobiling, cross country skiing, and ice fishing. The Boundary Waters Canoe Area occupies about one quarter of the Superior National Forest. Learn more at www.fs.usda.gov.

Tettegouche State Park is located on the Baptism River and is home to the largest waterfall entirely within the state of Minnesota. The views that this park provides are astounding. Tettegouche is the largest state park on the North Shore with over 9,300 acres. It features hiking, rock climbing, kayaking, skiing and snowmobile trails. The park has two campgrounds – hike in and modern drive-in. There are six inland lakes and four waterfalls. Tettegouche is a true inland paradise.

TWO HARBORS
Is the home of two beautiful bays: Agate Bay and Burlington Bay. Agate Bay provides enjoyment for all. Take a stroll down the breakwater while you watch a 1,000-ft Ore Boat cruise into the docks, visit the Lighthouse, or launch your boat to take it out for an evening fish. Burlington Bay is a great place to stop, picnic and skip rocks, all while taking in the majestic nature of Lake Superior.

KNIFE RIVER
A small thriving community that welcomes visitors and inspires artisans. Knife River is home to a marina, beautiful beaches, quaint shops and restaurants. A six-mile section of the Superior Hiking Trail starts in town and winds its way along the Knife River.

BEAVER BAY
Beaver Bay was the first established community on the North Shore. There are many great shops and restaurants located in Beaver Bay along with a beautiful new trailhead and gorgeous views of Lake Superior.
SILVER BAY
Silver Bay is a thriving small town located just off the scenic highway. Northshore mining is the largest local employer. It produces and ships taconite pellets throughout the world. Silver Bay is the home to a marina and beautiful nine-hole golf course.

FINLAND
Finland is nestled in the Baptism River Valley, surrounded by the Sawtooth Mountains. The fall colors in Finland are breathtaking. Finland is a great place to visit in the winter with miles of snowmobile trails and cross-country ski trails galore.

FALL LAKE
Fall Lake Township is located in the northern third of Lake County. With an abundance of lakes, the Superior National Forest, and over 20 entry points to the Boundary Waters Canoe Area, Fall Lake offers endless outdoor recreation. Boat, canoe, fish, swim, camp, and hike to your heart's content!
